

Ireland France Chamber of Commerce (IFCC)
is a membership organization of 150 companies
represented by over 200 senior French and Irish executives in Ireland.

**IFCC is a network that represents up to 35,000 employees in Ireland
and 2,5 million employees worldwide
It is the third largest bilateral trade association in Ireland.**

IFCC celebrated its 30th Anniversary in 2008.

The Chamber promotes the expansion of trade and business links between Ireland and France. Through networking events, we facilitate the development of our member's business activities. As part of our service we also encourage the establishment of new French companies in Ireland and new Irish companies in France.

We also aim at promoting Irish French trade in media and among institutions. Each year, the achievements of a major French Irish corporation are recognized and honored during our IFCC Business Awards ceremony.
