Dear IFCC members,

I would like to advise the members both here in Ireland and in France of an event that is being held in Paris.

It is a VIP Real Estate show held at the Carrousel du Louvre.

The Emile Garcin Group will be at the International Show for Premium Property the 27th, 28th and 29th of November 2009 in Paris at the Carrousel du Louvre.

My office on the left bank is organizing the show. Feel free to contact me at:

For people in France, please contact Mr. Eric VINCENT through his office or email:
