

Joint Members Night a major success!

On Thursday 14th May 2009, more than 130 guests attended the popular joint members' evening, hosted by the German Ambassador, H.E. Christian Pauls, at his residence in Dublin.

Members of both the Ireland France Chamber of Commerce (IFCC) and the German-Irish Chamber of Industry and Commerce (GIC) took the opportunity to network at this European event, discussing, for example, the build-up to the Irish referendum on the Lisbon Treaty.

Ambassador H.E. Roe D' Albert and Ambassador H.E. Christian Pauls both expressed that the solidarity of all European bi-lateral Chambers and business organisations will be vital if the ratification of the Lisbon Treaty is to be achieved.
