Dax Restaurant would like to introduce to you our new and impressive 2009 menu,
offering excellent choice, flavour and above all value.

Our **Executive Chef Conor Dempsey** has prepared a tantalising new *Lunchtime Menu*, which will be updated every two weeks. Served from 12.30pm-2pm and based on fresh, seasonal produce, two courses are priced at €24.00 and three courses at €29.00. A welcoming bar area offers a post-work wind-down or light evening meal, perfect for you and your colleagues to enjoy with hot and cold tapas, available Tuesday to Saturday.

The Early Bird menu, perfect pre-theatre or any Concert Hall performance is offered from 6pm to 7pm, Tuesday to Thursday, priced at €30.00 for two courses and €36.00 for three courses. Alternatively, customers can choose from the a la carte menu, updated every two months, from 6pm to 10.30pm in the inviting dining area.

We also have a **new meeting room** facility which includes a flat screen TV and mineral water for guests to enjoy. Suited for up to 50 guests, 18 of which may be seated, the room makes Dax the ideal location for a business meeting or private drinks reception, followed by a dinner at Dax Restaurant.

Ideal for business and perfect for pleasure, or to dine privately for groups of between 10 and 14 people,
Dax Restaurant is only a stones throw away from you and your business
so why not take the time to visit a restaurant of refreshment, rejuvenation and reinvigoriation.
