

Member “About France” looking for office space in Dublin :

Dear IFCC Members,

Charlotte Jehanno of About France, a member of the IFCC for many years, is looking for a **new office to share as of January 2010**. The idea would be to find a company interested in having a **quid pro quo deal** which would be based on an exchange with Charlotte. In clear terms, she is looking for an office free of charge in exchange for work she can provide to this company. This work could be done within the fields of sales & marketing, back office, administration.

To find out more, please contact Charlotte Jehanno on **01-410 0960 / 086-6049133** or email her at **charlotte@aboutfrance.com**

Thank you for your attention.

Kind regards,
